## Mademoiselle Lily IGP Cotes du Brian

**A fruity white, tailor made for the poolside.**

**Viognier and Roussanne are fruity, Terret brings some welcome freshness and acidity.**

**Lily is for the aperitif with new friends !**

- EXTREMELY ROCKY WHITE LIMESTONE SOIL
- ORGANICALLY GROWN GRAPES
- HAND PICKED IN 15KG BOXES
- SORTED IN VINES TO ELIMINATE ALL BUT PERFECTLY RIPE AND HEALTHY GRAPES
- YIELD 20 HL/HA
- VINIFICATION AND 9 MONTHS AGING IN 500 LITER AUSTRIAN BARRELS
- INDIGENOUS YEASTS
- PRODUCTION : 1300 BT
- 13%
- ALTITUDE : 300 M

**Clos du Gravillas** is 8 hectares on a 300 meter-high plateau of crushed white gravel chips in the Parc Naturel de Haut Languedoc, squeezed between the canyons of St. Chinian and Minerve, surrounded by Mediterranean brush and scrub oak. The domaine is worked organically (Ecocert) with respect for the terroir, without herbicides, with care for the preservation of soil life. Weed control is by hand and with our well-aged mini caterpillar tractors. Each head pruned vine is given particular attention during the summer as shoot selection, leaf-removal, bunch thinning, and rigorous field-sorting when we finally pick let us bring in grapes that are as ripe and perfect as possible. Pickers throw any grapes not good enough to eat on the ground.

In 2012 we harvested 15 grape varieties; these will be made into 9 different wines—for a total of only 30,000 bottles. Our passion is for local varieties; Carignan is our signature grape and we've just added almost a hectare of Terret gris from which we make a light white to complement our rich full Grenache Gris/Blanc/Maccabeu, "*L'Inattendu*". And Muscat has been local in Languedoc for 1000 years !
