

Sous les Cailloux des Grillons

*Syrah, Cabernet Sauvignon,
Carignan, Grenache, and Terret noir*

A red wine, frank and fresh—red fruit, fluidity and a touch of tannin. 8 days skin time for this blend of all our red varietals, aging in tank only.

In St. Jean, the soil is only white gravel ; in our youngest vine, under these rocks innumerable crickets find shade from the scorching Mediterranean sun. At night they come out to play (and during the day, they are under the rocks).

VDP (igp) Côtes du Brian.

Great with grilled meat, Italian food or tomato cuisine.
